COMMON HOME WARRANTY QUESTIONS

What is a home warranty?

A home warranty is a service contract that helps protect homeowners against the cost of unexpected covered repairs of their major systems and appliances that break down due to normal wear and tear.

I have homeowners insurance. Why do I need a home warranty?

Your homeowner's insurance is hazard insurance, and only covers items damaged in fires, flooding, wind, and other natural disasters. A home warranty repairs household appliances and mechanical systems that fail due to normal wear and tear.

My mechanical systems and appliances are aged. Is this covered?

Yes, the age of a home or its systems and appliances does not matter. We cover items that are in good working condition at start of contract.

Can I enroll in a home warranty plan if I am not in a real estate transaction?

Yes, you may purchase a home warranty if you are not involved in a real estate transaction of any kind. If you are able to provide proof of prior coverage through another warranty carrier, showing no lapse of warranty coverage, CHW will be able to start your new coverage when your old policy expires.

What are some examples of a claim being denied?

Choice Home Warranty does not cover known pre-existing conditions, misuse, or abuse of the covered systems and appliances.

Do I need a home inspection before ordering a home warranty?

No, although it is a good idea to get your home inspected to make sure all items are in good working order. Consequently, the contract does not cover any known pre-existing conditions.

When does coverage begin and end?

For sellers, coverage begins immediately after enrollment and continues for up to 180 days or closing date or whichever comes first. For buyers, coverage begins immediately after closing and continues for 365 days.

If an item needs to be replaced, and the replacement unit is unavailable what happens?

If a covered item that needs to be replaced is not available, CHW will offer a cash payment for the amount of CHW's replacement cost, which at times may be less than retail.

What if I need service?

Call our Claims Department at 1-888-275-2980 and we will take care of everything else. Our call center is available 24 hours a day, 7 days a week, 365 days a year. You may also submit a claim online.

Is there a service call fee?

Yes, you are required to pay a \$65 trade service call fee per claim, no matter what the actual cost of the repair or replacement for your covered item. This fee is payable directly to the technician that comes to your home.

Can I renew each year?

Yes, the plan may be renewable. In that event, you will be notified of the prevailing rate and terms of renewal.

“ I received service the same day I placed a claim. The service man was prompt, friendly and solved our problem quickly. ”

A. COVERAGE

During the coverage period, Our sole responsibility will be to arrange for a qualified service contractor ("Service Provider") to repair or replace, at Our expense (up to the limits set forth below), the systems and components mentioned as "Included" in accordance with the terms and conditions of this contract so long as such systems and components:

1. Are located inside the confines of the main foundation of the home or attached or detached garage (with the exception of the exterior pool/spa, well pump, septic tank pumping and air conditioner); and
2. Become inoperative due to normal wear and tear; and
3. Are in place and in proper working order on the effective date of this home warranty contract. This Contract provides coverage for unknown/undetectable pre-existing conditions so long as the malfunction could not, or would not, have been detected by a visual inspection or simple mechanical test.
4. It is understood that WE ARE NOT A SERVICE PROVIDER and are not Ourselves repairing or replacing any such systems or components. This contract covers single-family homes (including manufactured homes), new construction homes, condominiums, townhomes, and mobile homes under 5,000 square feet, unless an alternative dwelling type (i.e. above 5,000 square feet or multi-unit home) is applied, and appropriate fee is paid. Coverage is for occupied, owned or rented residential property, not commercial property or

residences used as businesses, including, but not limited to, day care centers, fraternity/sorority houses, and nursing/care homes. This contract describes the basic coverage and options available. Coverage is subject to limitations and conditions specified in this contract. Please read Your contract carefully.

NOTE: This is not a contract of insurance.

B. COVERAGE PERIOD

1. Home Buyer's Coverage: Coverage under this contract is only available for a home buyer, not a home seller. Coverage is normally effective upon close of sale for a one-year term. Your contract effective date and term may vary. The contract fee must be received within 14 days after close of sale. If You take possession prior to close of sale (or obtain possession through rental or lease agreement), the contract fee is due upon occupancy and coverage will begin upon receipt of the contract fee by Us. We offer a 30-day grace period from the close of sale during which You may add Optional Coverage.

2. Home Seller's Coverage: Seller's coverage is available only in conjunction with the purchase of coverage for the Home Buyer. Coverage becomes effective the day the application is received by Us, and continues until the expiration of the initial listing period (up to 180 days), close of sale, or listing termination; whichever occurs first. Should close of sale not occur within the 180-day period, We may, at Our sole discretion, extend the seller's coverage period upon request. Optional coverage for the HVAC units may only be added or removed within the first 24 hours of the initial order being placed. **Pre-existing conditions are not covered for the Home Seller. LIMITATIONS: OUR OBLIGATION UNDER SELLER'S COVERAGE IS LIMITED TO \$3,000 IN THE AGGREGATE DURING THE COVERAGE PERIOD, SUBJECT TO THE FURTHER LIMITATIONS SET FORTH HEREIN.**

3. Homes Not Going Through a Real Estate Transaction: Coverage starts 30 days after acceptance of application by Us and receipt of applicable contract fee and continues for 365 days from that date. Your coverage may begin before 30 days if We receive proof of prior coverage, showing no lapse of coverage, through another carrier within 15 days of the order date. Please call for a quote. Pre-existing conditions are not covered for homes not going through a real estate transaction.

4. Your contract term (the dates that Your contract is in effect), Your contract fee, Your Service Fee, and Your equipment, systems, and appliances covered under this contract, are set forth in Your Coverage Details. Your contract fee is due and payable as Your Coverage Details specify, and Your Service Fee is due and payable upon a request for service as described in Section C (4) below. Additional costs may apply in accordance with other sections of this contract.

C. SERVICE CALLS – TO REQUEST SERVICE:

Online at www.ChoiceHomeWarranty.com or 1-888-275-2980

1. You or Your agent (including tenant) must notify Us for work to be performed under this contract as soon as the problem is discovered. We will accept service calls 24 hours a day, 7 days a week, 365 days a year at 1-888-275-2980 and/or via our website. Notice of any malfunction must be given to Us prior to expiration of this contract.

2. Upon request for service, We will contact an authorized Service Provider. The authorized Service Provider will contact You to schedule a mutually convenient appointment during normal business hours. We will determine what repairs constitute an emergency and will make reasonable efforts to expedite emergency service. If You should request that We perform nonemergency service outside of normal business hours, You will be responsible for payment of additional fees and/or overtime charges.

3. We have the sole and absolute right to select the Service Provider to perform the service; and We will not reimburse for services performed without prior approval.

4. You will pay a trade service call fee ("Service Fee") per claim of up to \$65.00 or the actual cost, whichever is less, as specified in Your Coverage Details. The Service Fee is for each visit by Our approved Service Provider, except as noted in Section C (5), and is payable to Our approved Service Provider at the time of each visit. The Service Fee applies to each call dispatched and scheduled, including but not limited to those calls wherein coverage is included, excluded, or denied. The Service Fee also applies in the event You fail to be present at a scheduled time, or in the event You cancel a service call at the time a Service Provider is in route to Your home or at Your home. Failure to pay the Service Fee will result in suspension or cancellation of coverage until such time as the proper Service Fee is paid. At that time, coverage may be reinstated; however, the contract period will not be extended.

5. If service work performed under this contract should fail, then We will make the necessary repairs without an additional trade service call fee for a period of 90 days on parts and 30 days on labor.

At times it is necessary to open walls or ceilings to make repairs. The Service Provider obtained by Us will close the opening, and return to a rough finish condition. We are not responsible for restoration of any wall coverings, floor coverings, plaster, cabinets, counter tops, filing, paint, or the like.
2. We are not responsible for the repair of any cosmetic defects or performance of routine maintenance.
3. Electronic or computerized energy management or lighting and appliance management systems, solar systems and equipment are not included.
4. You may be charged an additional fee by the Service Provider to dispose of an old appliance, system or component, including, but not limited to the following items: condensing units, evaporator coils, compressors, capacitors, refrigerators, freezers, water heaters, and any system or appliance which contains dangerous or hazardous materials, unless the CHOICE ULTIMATE PLAN has been purchased.

5. We are not liable for service involving hazardous or toxic materials including but not limited to mold, lead paint, or asbestos, nor costs or expenses associated with refrigerant recovery, recycling, reclaiming or disposal. We are not liable for any failure to obtain timely service due to conditions beyond Our control, including, but not limited to, labor difficulties or delays in obtaining parts or equipment.

6. We are not liable for repair of conditions caused by chemical or sedimentary build up, mildew, mold, misuse or abuse, failure to clean or maintain as specified by the equipment manufacturer, missing parts, structural changes, fire, freezing, electrical failure or surge, water damage, lightning, mud, earthquake, soil movement, soil settlement, settling of home, storms, accidents, pest damage, acts of God, or failure due to excessive or inadequate water pressure.

7. We have the sole right to determine whether a covered system or appliance will be repaired or replaced. We are responsible for installing replacement equipment of similar features, capacity, and efficiency, but not for matching dimensions, brand or color. We are not responsible for upgrades, components, parts, or equipment required due to the incompatibility of the existing equipment with the replacement system or appliance or component or part thereof or with new type of chemical or material utilized to run the replacement equipment including, but not limited to, differences in technology, refrigerant requirements, or efficiency as mandated by federal, state, or local governments. We reserve the right to locate parts at any time. For the first 30 days of the contract period, We are not liable for replacement of entire systems or appliances due to obsolete, discontinued or unavailability of one or more integral parts. However, We will provide reimbursement for the costs of those parts determined by reasonable allowance for the fair value of like parts. We reserve the right to rebuild a part or component, or replace with a rebuilt part or component.

8. We are not liable for repairs related to costs of construction, carpentry or other incidental costs associated with alterations or modifications of appliances, components or installation of different equipment and/or systems.

9. We are not responsible for repairs related to inadequacy, lack of capacity, improper installation, mismatched systems, oversized systems, undersized systems, previous repair or design, manufacturer's defect, and any modification to the system or appliance.

10. We are not liable for normal or routine maintenance. Except during the 12 calendar months following the close of a real estate transaction through which a CHW plan was purchased, we will not pay for repairs or failures that result from the Contract holder's failure to perform normal or routine maintenance. For example, You are responsible for providing maintenance and cleaning pursuant to manufacturers' specifications, such as periodic cleaning of heating and air conditioning systems, evaporator coils and condenser coils, as well as periodic filter replacement.

11. We are not liable for the repair or replacement of commercial grade equipment, systems or appliances. We shall pay no more than \$2,500 in aggregate per system for professional series or like appliances such as, but not limited to, brand names such as Sub Zero, Viking, Wolf, Bosch, Jenn-Air, GE Monogram, Thermador, etc.

12. We reserve the right to obtain a second opinion at Our expense.

13. We are not responsible for any repair, replacement, installation, or modification of any covered system or appliance arising from a manufacturer's recall or defect of said covered items, nor any covered item while still under an existing manufacturer's, distributor's, or in-home warranty.

14. We reserve the right to offer cash back in lieu of repair or replacement in the amount of Our actual cost (which at times may be less than retail) to repair or replace any covered system, component or appliance.

15. We are not responsible for the repair or replacement of any system or appliance or component or part thereof that has been previously, or is subsequently, determined to be defective by the Consumer Product Safety Commission or the manufacturer and for which either has issued, or issues, a warning or recall, or which is otherwise necessitated due to failure caused by the manufacturer's improper design, use of improper materials, formula, manufacturing process or other manufacturing defect.

16. You agree that We are not liable for the negligence or other conduct of the Service Provider, nor are We an insurer of Service Provider's performance. You also agree that We are not liable for consequential, incidental, indirect, secondary, or punitive damages. You expressly waive the right to all such damages. Your sole remedy under this agreement is recovery of the cost of the required repair or replacement, whichever is less. You agree that, in no event, will Our liability exceed \$5000 per contract item for access, diagnosis and repair or replacement. LIMITATION FOR SELLERS: Notwithstanding the foregoing,

you agree that, in no event, will our liability exceed \$3,000 in the aggregate for Seller's coverage during the applicable coverage period.

G. RESOLUTION OF DISPUTES

1. **MEDIATION.** In the event of any dispute or controversy arising out of or relating to this Agreement, You agree to file a written claim with Us and allow Us thirty (30) calendar days to respond to the claim. The parties agree to mediate in good faith, before resorting to mandatory arbitration, in the state of New Jersey as set forth in paragraph 2 below.

2. **MANDATORY ARBITRATION.** Unless you make written application to Us and We agree in writing to allow you to bring a small claims lawsuit against Us solely in your individual capacity, except where prohibited, if we are unable to reach a resolution through direct discussions, You agree that any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise, arising out of or relating to this agreement or the relationships among the parties hereto shall be resolved by one arbitrator through binding arbitration in the State of New Jersey administered by the American Arbitration Association ("AAA"), under the AAA Commercial or Consumer, as applicable, Rules in effect at the time the of filing. Copies of the AAA Rules and forms can be located at www.adr.org, or by calling 1-800-778-7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act (9 U.S.C. § 1, et seq.). Neither party shall sue the other party other than as provided herein for enforcement of this clause or of the arbitrator's award; any such suit may be brought only in Federal District Court, or if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state, or local court, shall have the exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrability, enforceability, or formation of this Agreement including any claim that all or any part of this Agreement is void or voidable. However, the preceding sentence shall not apply to the clause entitled "Class Action Waiver."

3. **CLASS ACTION WAIVER.** Any claim, dispute or controversy, regarding any contract, tort, statute, or otherwise, arising out of or relating to this agreement or the relationships among the parties hereto must be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multiple plaintiff, or similar proceeding ("Class Action"). The parties expressly waive any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator. **THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE AND TO BE A PARTY TO A CLASS OR REPRESENTATIVE ACTION, HOWEVER, THEY UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.**

4. Any and all claims, judgments and awards shall be limited to actual out-of-pocket costs incurred to a maximum of \$5000 per claim, but in no event attorneys' fees.

5. Under no circumstances will You be permitted to obtain awards for, and You hereby waive all rights to claim, indirect, punitive, incidental and consequential damages and any other damages, other than for actual out-of-pocket expenses, and any and all rights to have damages multiplied or otherwise increased.

6. All issues and questions concerning the construction, validity, interpretation and enforceability of this Agreement, shall be governed by, and construed in accordance with, the laws of the State of New Jersey, U.S.A. without giving effect to any choice of law or conflict of law rules (whether of the State of New Jersey or any other jurisdiction), which would cause the application of the laws of any jurisdiction other than the State of New Jersey.

H. SEVERABILITY

If any provision of this Agreement is found to be contrary to law by a court of competent jurisdiction, such provision shall be of no force or effect; but the remainder of this Agreement shall continue in full force and effect.

I. BUILDING AND ZONING CODE REQUIREMENTS OR VIOLATIONS

1. We will not contract for services to meet current building or zoning code requirements or to correct for code violations, nor will it contract for services when permits cannot be obtained. We will not pay for the cost to obtain permits.
2. Except as required to maintain compatibility with equipment manufactured at current SEER and/or compliance standards, We are not responsible for upgrade or additional costs or expenses that may be required to meet current building or zoning code requirements or correct for code violations. This includes city, county, state, federal and utility regulations and upgrades required by law.

J. MULTIPLE UNITS AND INVESTMENT PROPERTIES

1. If the contract is for duplex, triplex, or fourplex dwelling, then every unit with in such dwelling must be covered by Our contract with applicable optional coverage for coverage to apply to common systems and appliances.
2. If this contract is for a unit within a multiple unit of 5 or more, then only items contained within the confines of each individual unit are covered. Common systems and appliances are excluded.
3. Except as otherwise provided in this section, common systems and appliances are excluded.

K. TRANSFER OF CONTRACT & RENEWALS

1. If Your covered property is sold during the term of this contract You must notify Us of the change in ownership and submit the name of the new owner by phoning 1-888-275-2980 in order to transfer coverage to the new owner.
2. You may transfer this contract at any time. There is no fee to transfer contract.
3. This contract may be renewed at Our option and where permitted by state law. In that event You will be notified of the prevailing rate and terms for renewal.
4. If You select the monthly payment option and We elect to renew Your contract, We will notify You of applicable rate and terms of renewal during the tenth month of Your contract. You will automatically be renewed for a monthly coverage period unless You notify Us in writing 30 days prior to the expiration of the contract. Your first payment for the next contract term will be construed as authorization for month-to-month charges.

L. CANCELLATION

This is a maintenance agreement for repair, replacement, or partial replacement of the products listed that are deemed manufactured or sold by the manufacturer. This is not a contract of insurance, residential service, warranty, extended warranty, or implied warranty. You may cancel within the first 30 days of the order date for a refund of the paid contract fee, less any service costs incurred by Us.

This contract shall be non-cancelable by Us except for:

1. Nonpayment of contract fee;
2. Nonpayment of Service Fee, as stated in Section C;
3. Fraud or misrepresentation of facts material by You to the issuance of this contract;
4. Mutual agreement of Us and You. If canceled after 30 days, You shall be entitled to a pro rata refund of the paid contract fee for the unexpired term, less any service costs incurred by Us.

Sample contract. Actual terms vary by State.

HOME MAINTENANCE TIPS

As a leading home warranty provider, Choice Home Warranty constantly looks for ways to proactively help our policy holders. Here are several routine CHW maintenance tips for your home's major systems and appliances:

WINTER

1. Have your furnace serviced annually by a licensed professional for efficiency and safety. Choice Home Warranty contracts require unit to be properly maintained.
2. Insulate pipes in your home's crawl spaces and attic.
3. Clear debris out of window wells, gutters, downspouts, and storm drains.
4. Clean the clothes dryer exhaust duct, damper and space under the dryer.
5. Make sure the caulking around doors and windows is adequate to reduce heat loss.

SPRING

1. Make sure the light bulbs in all your fixtures are the correct wattage.
2. Consider installing a lightning protection system on your home. Choice Home Warranty does not cover lightning, power surges, or natural disasters.
3. Have a professional air conditioning contractor inspect and maintain your system as recommended by the manufacturer. Choice Home Warranty contracts require unit to be properly maintained.
4. Trim shrubs and plants near condensing unit to ensure proper air flow and circulation.
5. Drain sediment from water heater tank according to manufacturer's recommendations.

SUMMER

1. Have annual system maintenance service done before the air conditioning season begins. Choice Home Warranty contracts require unit to be properly maintained.
2. Keep curtains closed when temperatures are at their peak.
3. Use exhaust fans when cooking to remove excess heat and humidity.
4. Close registers in rooms that are not being used. To avoid damage to your central cooling system, close no more than one fourth of the area of your home.
5. Change the filter on forced air units.

FALL

1. Flush out sediments from your hot water heater and test the pressure relief valve, plus other annual inspection duties should be performed according to the instructions in your manual for the unit.
2. Have a heating professional check your heating system every year before the winter season.
3. Drain in-ground sprinkler systems.
4. Make sure the caulking around doors and windows is adequate to reduce heat/cooling loss.
5. Insulate outdoor faucets, pipes in unheated garages, and pipes in crawl spaces.
